THE GOLFCONSTRUCT TOUR2012

The Golf Construct Tour 2012

Fairhaven Golf Club were the hosts for our first event of the 2012 tour season and we had an amazing 112 members attend the day. Since we formed the tour back in 2010 this is now the largest turn out for a single event. So a big thanks to you all!

The team at Fairhaven golf club were extremely welcoming and helpful, especially the assistant secretary Mrs Lindzi Stones as well as the clubs team of green keepers lead by Jeff. The golf course was a mixture of links and parkland and as I expected in pristine condition, from each tee right through to the greens. The greens were quick and fiery and took no prisoners; this was golf at its finest. As the event was held in March and at the start of the golf season I can only imagine the standard of this course during the height of summer. One final note is to comment on the club's food, an excellent carvery dinner was served in a nice and relaxed environment.

The object of The Golf Construct Tour is to offer each one of us the opportunity, not only to build a strong relationship with our own client base but also to network with our fellow industry peers, whilst at the same time playing the best golf courses throughout the North of England. I am hoping the 2012 tour will be bigger, better and even more successful than 2011.

Round 01: The Fairhaven Open 2012 – Friday 23rd March

Congratulations to Paul Weaver "Winner of the Premier Trophy". Paul scored an outstanding 43 points playing off a new handicap of 9, he now has a win under his belt after coming a close second at last years final event of the season at St Annes. The scorecard read 3 birdies, 11 pars, 3 bogies and 1 double bogey. The highlight of the round being a birdie on the par 5 third hole based on a distance of 500 yards. This opening round win leaves Paul in a strong position in the order of merit standings however with three testing courses still to come, it's all to play for. Well done to Paul, superb performance on the day!

Congratulations also to Kevin Hadley, who after winning the 2011 order of merit continued his fine form by finishing second on 39 points playing off a new handicap of 9. Finally well done to Zach Clarkson (MD of Brickwork 365) who was "The Championship Trophy Winner" on 43 points playing off a handicap of 24. This was Zach's first time on the tour and we hope to see him and his team at our second tour event of the season at Llangollen golf club in June.
